Safety and Suitability of Premises, Environment and Equipment – No Smoking policy

Safety and Suitability of Premises, Environment and Equipment

No smoking policy

Policy statement

We comply with health and safety regulations and the Safeguarding and Welfare Requirements of the EYFS in making our setting a no-smoking environment - both indoor and outdoor. This relates to the smoking of cigarettes and other tobacco products, and e-cigarettes.

Procedures

- All staff, parents and volunteers are made aware of our no-smoking policy.
- We display no smoking signs.
- The no-smoking policy is stated in our information for parents.
- We actively encourage no-smoking by having information for parents and staff about where to get help to stop smoking if they are seeking this information.
- Staff who smoke do not do so during working hours, unless on a break and off the premises.
- Staff who smoke during their break make every effort to reduce the effect of the odour and lingering effects of passive smoking for children and colleagues.

Legal framework

- The Smoke-free (Premises and Enforcement) Regulations 2006
- The Smoke-free (Signs) Regulations 2012
